

# COFFEE FILTER TURKEY

## Supplies –

- coffee filters
- washable markers
- spray bottle (with water)
- brown paint
- paint brushes
- popsicle stick/clothespin
- scissors
- construction paper
- glue

## Instructions:

1. Start by flattening out ground coffee filters.
2. Draw on them with several colors of washable markers in a variety of patterns alternating from red, orange, yellow, and brown.
3. Lay the colored coffee filter on a baking sheet or surface that is easily cleaned and spray it with water. Set aside to dry.
4. Paint all sides of the clothespin or popsicle stick with brown paint. Set aside to dry.
5. Fold coffee filters in half and attach the clothespin/popsicle stick
6. Finally, glue on googly eyes or you can draw them on then add a beak and gobbler to complete your turkey!

# ***SALT ART SNOWFLAKES***

## Supplies –

- white school glue
- paint brush
- card stock
- pencil
- salt
- watercolor or water with food coloring can act as a substitute

## *Instructions:*

- 1. Use the bottle of glue to draw a snowflake*
- 2. Put a good amount of salt onto the glue and then carefully pour the excess salt off.*
- 3. Let the glue and salt painting dry.*
- 4. Mix a few tablespoons of water with liquid watercolors or food dye.*
- 5. Then, use a paintbrush to drip the coloring onto the salt-painted snowflakes slowly.*
- 6. You can add other colors and mix the colors on each snowflake for a stunning effect.*
- 7. Let your snowflakes dry overnight*

# ***STRAW WREATH PAINTING***

## Supplies –

- embellishments
- paper plate
- card stock
- scissors
- straw
- paint
- glue

## *Instructions:*

- 1. Start by sketching a basic framework for your wreath.*
- 2. Proceed to cut five slits, each about 1-1/2 inches long and spaced 2 centimeters apart, using your straw.*
- 3. Utilize your fingers to flatten and widen the slits.*
- 4. Afterward, dip the straw into your paint and imprint it onto the paper, forming a circular shape along the traced outline.*
- 5. Continue stamping the paint onto the paper until the wreath takes shape.*
- 6. Finally, adorn the wreath with embellishments of your choosing!*
