

3D Hot Air Balloon Card

Tutorial

SUPPLIES: GLUE | MARKERS | BROWN PAPER | PINK OR RED PAPER | 2 POPSICLE STICKS

Steps:

1. Cut out 5 identical hearts from red or pink paper and a rectangle from brown paper.
 2. Fold the rectangle in half lengthwise to create a basket for the hot air balloon.
 3. Write a message inside the folded rectangle, which serves as the basket.
 4. Fold each heart in half.
 5. Apply glue to one half of a folded heart and attach another folded heart to it.
 6. Repeat the process, adding glue and attaching folded hearts until all 5 hearts are glued together.
 7. Then attach the heart to the basket via the popsicle sticks forming a 3D heart air balloon.
